Dear Brothers:

After careful and prayerful consideration of the requirements for elders and ministerial servants as set out in God's Word, we submit the following recommendations for NEW appointments. To the best of our knowledge, the brothers recommended meet all the requirements set out in the Bible for the positions indicated. These brothers regularly participate in proclaiming the good news to others. (Matt. 24:14; Rom. 10:10)

If any elders have reservations about recommending a brother state this and the reason. If you recommend the appointment of a brother previously removed as an elder or ministerial servant provide complete information on his progress since being removed, mentioning the date of his removal and the reason why he was removed.)

\* For any not recommended by previous congregation, please attach a copy of their letter to this form showing why not recommended. State how long the person has been with your congregation and why you recommend him.

**DELETIONS**

It is recommended that the following brothers be deleted from the list of appointed elders and ministerial servants, as indicated, for the reasons stated. If reason for deletion is other than moving, death, disassociation or disfellowshipping, etc., supply complete information below or in supplementary letter as to Scriptural reasons for recommending removal. Also state whether elders discussed matter with individual and if he agrees he no longer qualifies Scripturally to serve. If he does not and wishes to express himself, please attach his letter to this form.

(Comments of circuit overseer)

Gary Baker - for elder. Has been a m/s for 7-8 years in different congs. A zealous pub, averaging 17 hrs. Family zealous and good example. Has good knowledge of Bible and OR. Good teaching from platform and at door, has been taken on shepherding calls, does well. Hospitable, empathetic. Follows direction and can give it. Elder unanimous, I agree. Elder body has lost two elders in last six months, he should make fine addition.

Scott Dean Duy - for m/s. Very zealous in ministry, wife too; he averages 21.2 hrs with 3 months additional AP'ing within last 9 months, while having full-time job. Has had problem with running ahead of the elders in times past out of enthusiasm to help, but has taken counsel well. Has also had "rough" background, so took time to refine his attitude and again has humbly taken counsel and acted on it. Very helpful in duties, etc. Elders unanimous, I agree.
